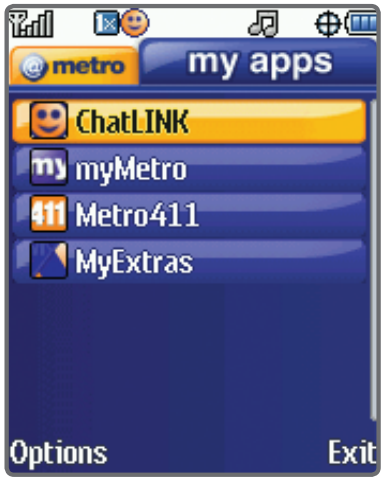
    - < Applications Carousel

*Press and *hold* this key to lock the phone.

Using Metro ChatLINK℠

Your LG Helix is compatible with Metro ChatLINK, a walkie-talkie service that enables you to chat with up to 10 people at the same time—making connection with friends and family both faster and easier!



Add a Contact

1. From standby mode and with the flip open, press the **Right Soft Key** for **@metro**.
2. Press **right** on the **Navigation Key** to access **my apps**.
3. Press OK for **ChatLINK**.
4. Press the **Left Soft Key** for **Options**.
5. Select **Add New Contact (2)**.
6. Enter the contact's number using the keypad, and then press **down** on the **Navigation Key** to move to the **Enter Name** field.
7. Enter the contact's name using the keypad, and then press the **Left Soft Key** for **Save**.

Enable Buddy Alert

1. From the **ChatLINK List**, press the **Left Soft Key** for **Options**.
2. Press OK for **Buddy Alert (1)** and again for **Enable (1)**.

Taking a Picture

With your 1.3 megapixel camera, you can capture all the magic moments—and with the flip closed, you can even take self-portraits.

Flip Open

1. From standby mode and with the flip open, press and *hold* .
2. Press **up** or **down** on the **Navigation Key** to zoom.* Press **left** or **right** to adjust the brightness. To adjust other camera options, press the **Right Soft Key** for **Options**.
3. Press to take the picture.

Flip Closed

1. From standby mode and with the flip closed, press and *hold* , then quickly press the side **Volume Keys** to unlock the phone.
2. Press to take a picture.

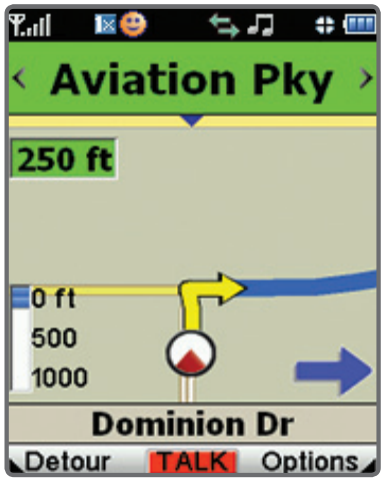
Camera Key

*Varies by image resolution. Camera setting of 960 x 1280 pixels does not support zoom function.

Using MetroNavigator®

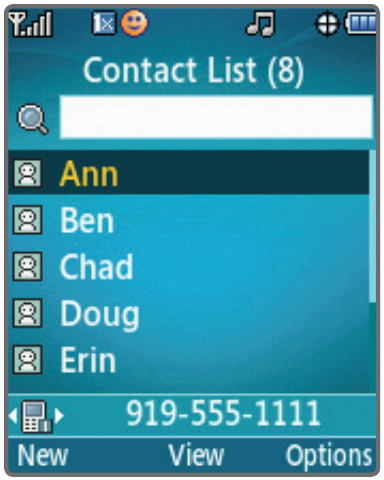
Experience the convenience of using your mobile phone as a GPS device with MetroNavigator. With this service, you can receive turn-by-turn directions right on your LG Helix.

1. From standby mode and with the flip open, press OK to access the **Applications Carousel**.
2. Scroll to **MetroNavigator** and press OK.
3. MetroNavigator will authenticate your subscription and update itself automatically. Once any updates are complete, press OK to select **Navigation**.
4. Select **Find Destination (1)**, and then choose from the available options. To enter a new address, press the **3 Key**.
5. Enter the address with the keypad, and then press OK to navigate to that location.



Saving and Searching Contacts

Keep your address book in the palm of your hand with LG Helix.



Saving a Contact

1. From standby mode and with the flip open, press **up** on the **Navigation Key** to access your **Contact List**.
2. Press the **Left Soft Key** to add a new contact.
3. Enter the contact's information using the keypad.
4. Press OK to save the contact.

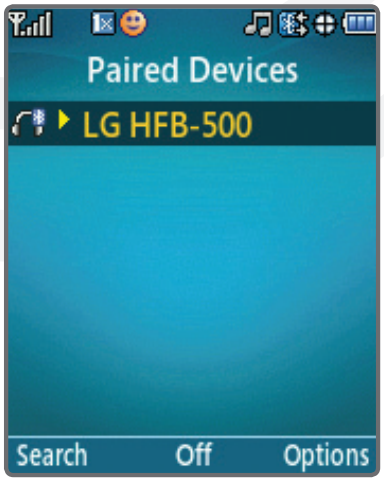
Searching for a Contact Using Phone Dial Search

1. From standby mode and with the flip open, touch the key on the keypad that corresponds to the first letter in the contact's name. The phone will display the names of all relevant contacts.
2. Use the **Navigation Key** to highlight the contact's name, and press OK to call.

Bluetooth® Pairing

Let *Bluetooth* wireless technology set you free! Enjoy the convenience of wireless accessories and information transfer with LG Helix.

1. Place your *Bluetooth* device into pairing mode.*
2. From standby mode and with the flip open, press the **Left Soft Key**, and then select **Bluetooth (*)**.
3. Press OK for **Paired Devices (1)**.
4. Press the **Left Soft Key** for **Search**. If prompted to turn on *Bluetooth*, press OK.
5. Press OK to begin a new search.
6. Once the *Bluetooth* device has been found, highlight it and press OK for **Pair**.
7. Once paired, press OK to connect to the device.



*Refer to your *Bluetooth* device's user manual for information about initiating pairing mode and the passcode, if needed (typically "0000").

Note: *Bluetooth* accessories sold separately.
